# welcome

*It is with great pleasure to be able to offer these stout, age advantage coming 2-year-old virgin bulls. Sutphin's are one of the few bull producers that grow & develop their bulls slowly to stout 2 year old for their customers.*

*We are proud of the offering we have for you, and feel confident that you will be impressed when you view the multi-breed bulls we have here today. The goal of our program is to provide superior genetics to the commercial cowman. We want to provide cattle that work not only for us, but for the cow-calf operator, the feedlot, the packer and the consumer. We are doing this by using proven carcass genetics from across the country and continually stacking low birth weight with high weaning and yearling weights while maintaining grass converting maternal traits. Our plan for Arkansas, Kansas, Georgia, Texas, Oklahoma, New Mexico, Wyoming, Arizona & Florida is to be a source for reliable, high quality, multi-breed bulls for many years to come in the fall & spring.*

*We have slowly increased our cow herd & expanded our Cooperator Program which has upped our bull numbers to 1,200 per year. We are currently the 7th largest bull supplier in the United States.*

*We want to build long term relationships and we are extremely grateful for the friends & contacts we have made. We look forward to visiting with you on sale day.*

## Auctioneers & Ring Men:

Teddy Linthicum (Auctioneer) 918-944-6863

## Sale Location:

Willcox Livestock Auction Inc.  
1020 N Haskeel Ave  
Willcox, AZ 85643  
520-384-2206

## Volume Discounts at sale

- 4 BULLS = 2%**
- 6 BULLS = 3%**
- 8 BULLS = 4%**
- 10+ BULLS = 5%**

Sale barn is not able to apply the discounts. See John Sutphin after sale.

## Bull Selection:

In order to assist you in selecting the bull that is right for your program we have designated a rating for each of our bulls. By rating our bulls, it gives you a better idea of what you are getting. If it's a heifer bull you are looking for, we want to get you a true heifer bull. If you're looking for a cow bull that will put pounds on your herd, we can get you that! When selecting each rating, we take into consideration several factors. We look at the individual bull, the genetics behind him, his EPDs given by the Breed Association, and his actual weights. To the right is an explanation of the ratings along with a docility rating:

### Heifer Bulls:

Are marked with **Heifer Bull** or **HB in red** on the lots.

## Bull Guarantee:

Bulls over \$4,500 purchase price are "no questions asked" guaranteed for a 120-day (May-Sept) breeding season. **Insurance is paid through Sept 1, 2024.** The replacement covers everything but foot rot (you must doctor your foot rot). John Sutphin must be contacted (719-940-3729) with pictures and or vet verified to qualify for insurance. Bull credit minus salvage value will be granted at next years sale. **For Bull replacement during breeding season: bull will need to be brought to McClave, Colorado Bull Pavilion or Win-rock, AR facility to be switched out.**

## Rugged, Range Ready Feed Program:

The bulls are never pushed hard on grain & they are grown on a high roughage diet when on feed test. The yearlings are summered out on grass & then wheat in the fall & spring if available. Our yearlings & weaning weights are real world weights because calves are grown on pasture & high forage diet. **\* The Red marks indicate that the data is in the Top 20% of their contemporary group.**

### Docility Rating

	<u>Rating</u>
Grandma Gentle	5
Grandpa Gentle	4.5

True growth bull, deep rib & easy fleshing.

**CED 3 BW 3.0 WW 66 YW 127 M 30**

## Lim Angus Bulls

Sutphin's Lim Angus herd was started in 1983, with all red and horned Limousin cattle from France.

Since 1996 Angus sires have been used on Sutphin's Lim herd, making them black & polled.

The last 40 years, John has worked hard on disposition and mothering ability and has made a functional cow for our area that is 3/4 to 7/8 Angus and 1/4 to 1/8 Limousin. With this combination the Lim Angus bulls pack a punch and will enhance a black Angus herd with hybrid vigor, added muscle and yield.

It's a proven fact Limousin adds a larger ribeye and extra red meat to the carcass.

### **SAV Harvester 0338 grandsire of KLA Instinct 9145 (AAA-16879074)**

Harvester is a \$275,000 true breed changer and performance powerhouse.

## Sim Angus Bulls

Sutphin Cattle has built a Sim Angus bull, approx. 3/8 to 1/4 blood, that calves moderate & is not too big for our country.

These bulls will influence a Black Angus herds weaning weight by 40 lbs plus. These bulls have a wide top, huge hindquarter & the calves will push the scales down at weaning time and will top the market.
