HEIFERS

SUTPHINCATTLE.COM

welcome

We are excited to present a selection of robust, age-advanced coming 2-year-old virgin bulls. We take great pride in this offering and are confident that you will be impressed by the quality and variety of multi-breed bulls available for you today. Our program is dedicated to providing superior

genetics to the commercial cattleman. We aim to produce cattle that perform not only for us, but for cow-calf operators, feedlots, packers, and consumers alike. This is achieved through the use of proven carcass genetics from across the country, with a focus on combining low birth weights with high weaning and yearling weights, while also maintaining excellent grass-converting, maternal traits.

Our goal is to be a trusted source of reliable, high-quality multi-breed bulls for regions such as Arkansas, Kansas, Georgia, Texas, Oklahoma, Missouri, New Mexico, Wyoming, Arizona, Tennessee, Alabama, Louisiana, Mississippi and Florida, both in the fall and spring. Over time, we have gradually expanded our cow herd and Cooperator Program, increasing our annual bull numbers to 1,200. We are proud to be the 7th largest bull supplier in the United States. Building long-term relationships is important to us, and we are deeply grateful for the friendships and connections we've made. We look forward to seeing you on sale day and discussing how we can contribute to your success.

Bull Selection:

In order to assist you in selecting the bull that is right for your program we have designated a rating for each of our bulls. By rating our bulls, it gives you a better idea of what you are getting. If it's a heifer bull you are looking for, we want to get you a true heifer bull. If you're looking for a cow bull that will put pounds on your herd, we can get you that! When selecting each rating, we take into consideration several factors. We look at the individual bull, the genetics behind him, his EPDs given by the Breed Association, and his actual weights. To the right is an explanation of the ratings along with a docility rating:

Heifer Bulls:

Are marked with **Heifer Bull** or **HB** in red on the lots.

Volume Discounts at sale

4 BULLS = 2%
6 BULLS = 3%
8 BULLS = 4%
10+ BULLS = 5%

PLEASE SEE JOHN AFTER SALE FOR DISCOUNTS. SALE BARN CAN NOT GIVE DISCOUNT

Rugged, Range Ready Feed Program:

The bulls are never pushed hard on grain & they are grown on a high roughage diet when on feed test. The yearlings are summered out on grass & then wheat in the fall & spring if available. Our yearlings & weaning weights are real world weights because calves are grown on pasture & high forage diet. * **The Red marks indicate that the data is in the Top 20% of their contemporary group.**

Bull Guarantee:

Bulls over **\$5,000** purchase price are "no questions asked" guaranteed for a 120-day breeding season. **Insurance is paid through March 1, 2026. Round up to \$5000 to qualify for insurance on any purchase.**

The replacement covers everything but foot rot (you must doctor your foot rot). John Sutphin must be contacted (719-940-3729) with pictures and or vet verified to qualify for insurance. Bull credit minus salvage value will be granted at next years sale. **For Bull replacement during breeding season: bull will need to be brought to McClave, Colorado Bull Pavilion or Winrock, AR facility to be switched out.**

Additional Insurance– 100% from March 1, 2026 to September 1, 2026 for 10% of bull purchase.
